

A SHORT GUIDE ON

SHIPPING LABELS

MAKE IT SIMPLE, SEND IT WITH **EUROSENDER.COM**

STEP 1

Take all the old labels off.

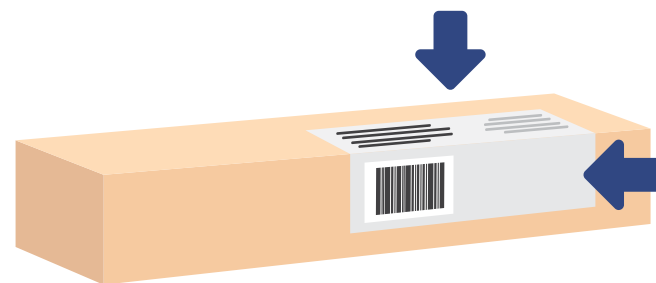

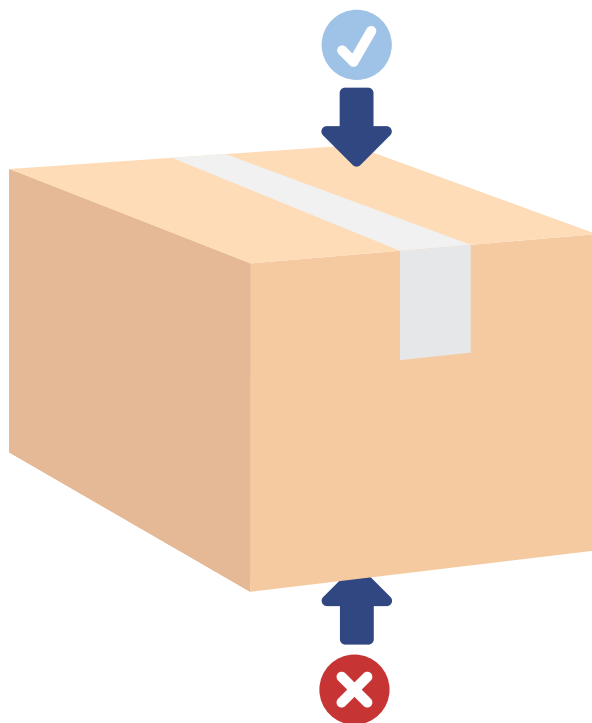

STEP 2

Clean any dirt from the box.

We advise you to put a backup label inside the package.

STEP 3

Position on a flat, visible surface. If the box is smaller, fix the information on one side and the scanning code on the other side.

STEP 4

Protect the label.

STEP 5

Shipping time!
